

Consolidation Workshop to Finalise Training Modules on Child Rights (7th & 8th July, 2014):-

National Gender Centre, LBSNAA, has been entrusted with the task to develop modules on Child Rights by the Ministry of Women & Child Development for the sensitisation and capacity building of young administrators and for the officers of the mid career training programmes. To accomplish this task NGC had undergone a brainstorming exercise with the national level experts to identify the critical child related issues to be incorporated in the different levels/phases of the trainings conducted at the Academy.

As the next step in this direction a “Consolidation workshop” to finalise Modules on Child Rights was organised on 7th & 8th July, 2014 at LBSNAA, Mussoorie. The aim of the conference was to finalise the child rights based training modules, for the different courses/programmes run by the Academy for civil servants and consider the most appropriate nature of training inputs for the various courses.
