Respected Sir,

Greeting from Mussoorie!

The Centre for Disaster Management (CDM) is a research and training centre and a unit of Lal Bahadur Shastri National Academy of Administration (LBSNAA), Mussoorie. It was established in 2003 with the aim of training AIS/CCS officers in various aspects of Disaster Mitigation.

The CDM, LBSNAA, Mussoorie in association with the Odisha State Disaster Management Authority (OSDMA), Government of Odisha, Bhubaneswar is organizing a **3 (Three) day Customized Training Programme on “Cyclone Risk Reduction” for IAS Officers from 29th to 31st January, 2024 at Madhusudan Das Regional Academy of Financial Management, Chandrasekharpur, Bhubaneswar**, under the National Disaster Management Authority (NDMA) scheme titled “*Capacity Building on Disaster Management for IAS/Central Civil Services officers*”.

The proposed training aims to provide specialized orientation to officers on prevention/mitigation, preparedness, planning, and response, build back better in recovery, rehabilitation and reconstruction strategies through field visits, presentations and group activities on best practices and learnings in Cyclone risk reduction. This, we believe, is of paramount importance as extreme weather events will increase as a result of global warming and climate change.
