

No. T -31013/4/2021 -CDM

Dated: 05 January, 2022

Abhiram G. Sankar, IAS

Director, Centre for Disaster Management

Email: cdm.lbsnaa@nic.in

Dear Sir/ Madam,

Sub: Nominations for Training Programme on “A Resilient Future: Science and Technology for Disaster Risk Reduction” for Scientists & Technologists working in Government sector from 27th February - 03rd March, 2023 at Lal Bahadur Shastri National Academy of Administration, Mussoorie-Reg.

As you are aware, the Centre for Disaster Management (CDM) is a research and training centre, and a unit of Lal Bahadur Shastri National Academy of Administration (LBSNAA), Mussoorie, Department of Personnel & Training (DoPT), Government of India. It was established with the foremost aim of training IAS and Central Civil Service Officers in various aspects of Disaster Mitigation at Induction as well as in-service level.

The Centre for Disaster Management in collaboration with the Department of Science & Technology (DST), Government of India is organizing a 5 (five) days Training Programme on “A Resilient Future: Science and Technology for Disaster Risk Reduction” for Scientists & Technologists working in Government sector during **27th February - 03rd March, 2023** at Lal Bahadur Shastri National Academy of Administration, Mussoorie under the DST-Plan Scheme “National Programme for Training of Scientists and Technologists working in government sector”.

Herewith, we are enclosing a copy of the brochure of the training programme and a copy of nomination form. All expenses of the participants other than TA/DA will be borne by the centre. The participants are requested to submit their nomination forms to CDM through e-mail (cdm.lbsnaa@nic.in). Nominations duly authorized by the controlling Authority/ Institution alone will be accepted.

We look forward for a positive response and receiving nominations from your organization at the earliest. Nomination form has to be duly signed and forwarded on or before 23rd February, 2023 through the controlling Authority/ Institution.

With warm regards,

Yours faithfully,

(Abhiram G. Sankar)

Centre at a glance:

Center for Disaster Management (CDM) is a research and training centre, and a unit of Lal Bahadur Shastri National Academy of Administration, Department of Personnel & Training (DoPT), Government of India. It was established with the foremost aim of training IAS and Central Civil Service Officers in various aspects of Disaster Mitigation at Induction as well as in-service level in addition to undertaking action research projects, documentation of best practices, case studies, teaching materials etc.

Date and Duration:

27th February - 03rd March, 2023 (5 days)

Mode of Training: Offline (in-Campus)

No. of participants: 25

Target group: Scientists and Technologists working in Government sector.

- Junior Level Scientists: 2 to 9 years of Service in Group – 'A'
- Middle Level Scientists: 9 to 18 years of service in Group – 'A'
- Senior Level Scientists: more than 18 years of service in Group – 'A'

Objectives of the training:

Participants will be able to:

- explain Disaster Risk Reduction (DRR) related concepts and science and technology for DRR.

- identify and describe existing and emerging technologies for landslide and flood reduction
- explain methodological tools to assess vulnerabilities and risk and strengthen the resilience of communities at risk of landslides, floods and earthquakes.
- exemplify the role and the challenges of science and technological innovations for disaster risk reduction in an interdisciplinary manner including the importance of social aspects.
- to facilitate peer and involved learning to achieve the objectives of Paris Agreement, Sustainable Development Goals (SDGs) and Sendai Framework for Disaster Risk Reduction (SFDRR).
- this course aims to introduce participants to existing and emerging technologies suitable for disaster risk reduction while promoting the overall aim of sustainable development

Thematic areas:

- Disaster Risk Reduction and Science and Technology for DRR
- Science and Technology for Risk Assessment
- Science and Technology for Prevention
- Science and Technology for Early-Warning and Preparedness

- Science and Technology for Disaster Response and Emergency Relief
- Science and Technology for Post-Disaster Recovery and Reconstruction
- Science and Technology for Resilience and Sustainable Development

Training methodology:

- Flipped classroom sessions, field visits and group exercises will be part of the pedagogy.

Training cost:

- The participants don't have to pay any boarding, lodging expenditure and course fee.
- Local transport (pick up and drop from Dehradun Airport, Railway Station and ISBT) will be arranged by the CDM, LBSNAA on prior request.
- TA/DA of participants will be borne by the concerned department/ institution

Lodging and Boarding:

- During the course tenure, the course participants will be provided accommodation at LBSNAA, Mussoorie.
- Lodging and boarding will be available one day prior to the commencement of the course and morning of following day of the end of the course.

Note: Lodging and Boarding facilities are provided for the course participants only.
